

Vehicle Industry Registration Procedures Manual

New Information

The *Handbook of Registration Procedures* has been completely revised and new information added. Because of the major improvements, we have renamed the publication the *Vehicle Industry Registration Procedures Manual*; however, the form number remains the same (REG 611). The *Vehicle Industry Registration Procedures Manual* is now available online, at **www.dmv.ca.gov** and will be available in print after February 2010. Follow the ordering procedures located on the introductory page of the online *Vehicle Industry Registration Procedures Manual*.

There will be a one-time printing of the base manual. Revisions will be available online only. You will be notified via the E-mail Alert Service when a revision is released. We encourage you to register online, at **www.emailalert.dmv.ca.gov/subscriptions.asp** for this great resource. The E-mail Alert Service notifies you of changes so you have the most up-to-date information to complete Department of Motor Vehicles (DMV) transactions.
